

Nothing Wrong with a Little Friendly Competition

This season, players around the league are competing on and off the field to help 80,000 at-risk youth. Twenty-three players have teamed up with After-School All-Stars to raise funds for free after-school programs. As members of the Touchdown Vs Shutdown program, each player has pledged to donate based on one statistic - touchdowns, yards, sacks or tackles. See who's winning off the field at www.tdshutdown.org.
